**Subject:** RE: Maher v. Islamic Republic of Iran, et al.; Maher v. Kingdom of Saudi Arabia, et al.

Attached is the Motion to Substitute Counsel regarding the Maher Family. We want to work with you to extradite them from your cases and, also believe the Court may have direction on how we should handle this. Therefore, we have inserted a paragraph in the motion stating that once the substitution of counsel has been granted, we will move to remove the Maher Family from the cases, which may require coordination with your office and the Court's guidance.

Please review the motion and let me know if you have any requested edits. We are prepared to file with the Court tomorrow. We will also need the Consents signed by you so that we can attach to the motion.

If you have any questions, please let me know.

Tammy –

I am not quite sure that I understand what you mean in your Friday emails pertaining to some of the Ryan and Maher family members as you do not need a signed Consent to prepare the appropriate motion. We certainly want to work

I have reviewed your revisions to the Motion to Substitute Counsel with my clients and they do not agree to the language as to liens for fees or expenses. I take no position and that matter is between you and your prior clients.

Our motion is simply moving to substitute counsel. Any right you have to a lien is unaffected by this motion and you can pursue your fees and expenses separately without our agreement. If the attached motion is not acceptable, we will file a motion stating that there is no agreement regarding the Motion to Substitute Counsel.

Unfortunately, we cannot consent to your substitution motions for the Ryan and Maher plaintiffs in their present form.

I assume you will file your motion and we will state our position for the Court.
